This declaration is valid for the products we delivered and its use as specified above. The verification of compliance was performed based on the above rules; according to which the product complies with the legal requirements subject to adherence to the stated conditions for contact with food. In case of deviations from the intended use, the user is responsible for verifying compliance and suitability. In particular it is emphasized that in case of printed material, no contact is allowed between the printing ink and the food product.

Validity of this declaration: until revocation and renewal

Náchod, 10.12.2018
